WELCOME!

Midwest Justice was established in 2004 by Mike Prunte. With his experience as a counselor and probation officer it was clear that there was a need in helping lower the cost and increase the customer service for Drug Testing and House Arrest services.

Midwest Justice was formed with the express intent of making an uncomfortable experience as humane and straight forward as possible. Staffed by experienced, trained, kind people, Midwest Justice simplifies all its services and is able to adjust to help clients whenever possible.

We are located in Olathe, KS. 1 mile south of I-35 and Sante Fe.

Hours:

Drug Testing: Monday through Friday 9am to 7pm and Saturday 10am to 4pm.
House Arrest: By appointment only
